

INTRA COMPANY TRANSFER PERMIT PROCESS MAP

STEP 7: ICT CARD COLLECTION

When the card is ready, it can be collected from the Migration Department and the applicant can begin working.

STEP 6: ICT CARD EXECUTION APPLICATION

The applicant must visit the Migration Department to submit documents and biometric data, including fingerprints and photographs. The temporary residence card should be processed within ten days (standard) or five days (fast track).

Processing time: 1-2 weeks

STEP 5: ADDRESS REGISTRATION

Once the residence permit has been issued, the applicant (and accompanying dependents) should register their residential address at the local Municipality Office.

Processing time: 1 day

STEP 1: INITIATION

Client initiates the case with FGI. FGI assesses work permit category and sends document checklist to the client. Client sends the documents listed on the checklist to FGI.

STEP 2: TEMPORARY RESIDENCE PERMIT APPLICATION

The temporary residence permit (ICT) application can be submitted by the applicant via the Lithuanian consular in their country of origin or residence.

Processing time: 6-8 weeks

STEP 3: EU BLUE CARD APPLICATION

Once the temporary residence permit has been approved, the applicant (and accompanying dependents) can apply for single-entry national D visas at the Lithuanian consular post in their country of origin or residence.

Processing time: 3-4 weeks

STEP 4: VISA TYPE D APPLICATION

Once the visa is approved, it should be collected within one month of issuance and used within the period of validity (usually 90 days) as stated on the visa. The applicant (and accompanying dependents) may now enter Lithuania.
